The Cats of Mirikitani

Clark Conference Room

Noon - 1 PM

Jimmy Mirikitani was born in Sacramento and raised in Hiroshima. But by 2001 he is living on the streets of New York, sitting on a street corner drawing pictures of the camp where he was interned during WWII, the atomic bomb that killed half his family in Japan, and cats, lots and lots of cats. After the collapse of the World Trade Center and its aftermath a young filmmaker takes him in and helps bring his story full circle.

The Cats of Mirikitani tells, in a simple but profound way, a story of tragedies, kindnesses, hope, and forgiveness in a post-9/11 world.

Japanese-inspired Refreshments and Sushi Will be Available
